CIRCULATION GREATER THAN ANY OTHER TWO PAPERS IN MENDOCINO COUNTY COMBINED. MORE THAN ALL PAPERS OUTSIDE OF COUNTY SEAT COMBINED.

Volume XXXV. UKIAH, MENDOCINO COUNTY, CALIFORNIA, APRIL 14, 1916. Number 44.

HEAVY VOTE IS CAST AT CITY ELECTIONS MONDAY

All Towns, Except Fort Bragg, Return Old Officers To Their Posts For Another Term

Mendocino county's five incorporated towns voted at the municipal elections on Monday, and while there were spirited contests in almost every city, little changes were made in the personnel of the municipal governors.

Fort Bragg underwent the greatest change of any city in the county, three of its old-time officials, Trustees C. W. Mero and E. E. Brown and Treasurer H. W. Little, having been ousted and their places filled by rival candidates.

VOTE IS HEAVY

Almost the entire voting strength was represented at the polls, except in Ukiah where 870 ballots were cast out of a total registration of 1,300. A big vote was polled in Point Arena, the successful candidates being:

For trustee—J. C. Halliday, 99; F. C. O'Brien, 160; and M. J. Pellascio, 143. C. H. Roper, with 83 votes, was defeated.

For clerk—Conrad Nicks, re-elected, 93; F. D. Patton, 80.

There was no candidate on the ticket for treasurer but a sufficient number of voters wrote in the name of Nicks to elect him. Since he was elected clerk, however, he can not hold the office of treasurer and the Board of Trustees will make an appointment to fill the vacancy.

POTTER HAS CONTEST

In Potter valley the closest contest proved to be in the race for treasurer, and while there was only one name on the ballot, seventy voters wrote in the name of E. E. Holbrook, as against 103 votes for T. P. Hopkins. A total of 194 votes were polled, being as follows:

For trustee—Lee R. Goodrich, 151; Leon L. Grover, 135; and J. D. Brower, 109, elected; Charles Whittaker, 72; F. L. Vann, 42 and John Gavin, 23.

For clerk—J. R. Adams, 155.

For treasurer—T. P. Hopkins, 103; E. E. Holbrook, 70.

The results in the several elections, together with the votes for each candidate, was told in The Press extra edition on Tuesday. The following report will show the officers elected in each of the five cities.

CARDER IS GRANTED STAY OF EXECUTION

While the legal machinery is being put into motion and arranging a hearing by which he hopes to gain his freedom, Henry Carder, convicted Covelo cattle "rustler," is occupying a suite of steel-barred rooms at the Hotel de Byrnes.

After being sentenced Tuesday morning, as told in The Press extra edition, Carder was granted a stay of execution and will be held in the county jail here instead of being taken to San Quentin to await the outcome of the hearing.

Attorney Charles Kasch is representing Carder and is preparing to put up a hard fight to save his client from serving five years in San Quentin, the sentence pronounced by Judge White. District Attorney McCowen and former District Attorney Robert Duncan are handling the prosecution.

NEW AUTO STAGE TO MENDOCINO STARTS

G. A. Boyd and Arthur Daniels, both wellknown stage contractors of Mendocino, were business visitors to this city the first of the week, making the first trip with the automobile passenger stage service which will operate between Ukiah and Mendocino during the summer.

A large Winton Six touring car will be put on the run, leaving Ukiah on Tuesdays, Thursdays and Saturdays at 2 o'clock, and returning from Mendocino on Mondays, Wednesdays and Fridays. The trip will be made by way of Orrs' Springs, which is declared by tourists to be the most picturesque drive in the county.

Large comfortable cars and careful drivers is the motto adopted by Messrs. Boyd and Daniels in launching the project and they will undoubtedly be well patronized by summer tourists.

FIESTA COMMITTEE IS GATHERING COIN

Work of securing the funds for the big celebration on July 2, 3 and 4 is being completed by the finance committee. In a few days cards will be sent to all citizens of Ukiah asking them to sign up for whatever amount they can afford to donate to the cause. The committee hopes that all will respond, and if anyone is missing in making up the list, the members ask that they be notified of the oversight and of the amount you will give.

MISS ALDRICH IS HOSTESS TO CLUB

Miss Helen Aldrich entertained the "Hello Bill Girls" Club and had charge of the program, when the club met at the home of Miss Vera LaPorte Saturday afternoon.

A dainty luncheon was served and the decorations and other details were most effective.

Mrs. W. M. Ford will be the next hostess for the club.

BUEN VENIDO CLUB PLANS BENEFIT BALL

The "Buen Venido" Club will give a big benefit ball on Saturday evening, April 29. The proceeds will be donated to the Saturday Afternoon club for the new club house fund.

New features, excellent music, and novel decorations will be introduced. Some of the best local talent will entertain between dances and the whole affair promises to out-rival anything held here in a long time.

The following committee will be in charge of the arrangements: Mrs. A. L. Holliday, Misses Helen Aldrich, Agnes Cunningham, Bessie Mathews and Vera LaPorte.

FT. BRAGG BARBER IS NOT GUILTY SAYS JURY

Louis Joidoin Freed Of Burglary Charge In Twelve Minutes

TWO BALLOTS TAKEN

Had Neither Money Nor Lawyer; J. R. Thomas Is Appointed

It required only twelve minutes for the jury to free Louis Joidoin, Fort Bragg barber, of the charge of burglary in Superior Judge White's court Wednesday morning. But two ballots were taken, the first being ten for acquittal and two for conviction.

Joidoin was accused of robbing the cash register and a punchboard in the Aulin billiard and pool rooms at the coast metropolis on the night of December 22. The case occupied the attention of sleuths for several days, until Joidoin was arrested five days later and was brought to this city on January 5 and has since been held in the county jail.

When he was taken into court, Joidoin declared that he did not have an attorney nor money to employ one, and Judge White appointed Attorney J. R. Thomas to conduct the defense.

The jury was composed of W. R. Cox, Frank Strong, Thos. Cox, J. A. Johnson, John Redemeyer, D. T. Van Voast, Frank Wilson, Mack Howard, Henry Pierson, T. A. Templeton, F. M. Osborne and R. H Puett.

BIG WINDOW DISPLAY TEMPTS FISHERMEN

With the bright April weather and the cool shaded streams tempting local followers of the pastime of Izaak Walton almost to the degree of falling, the Cox Hardware Company has added to the discomfort of the impatient fishermen by jamming a window chock full of every kind of fishing tackle imaginable.

There are poles, hooks, flies that anybody would be willing to bite just once, baskets, reels and everything else that goes to make a pleasant day with the game mountain trout along some secluded stream, and then to add to the temptation two fine specimen of steelheads, preserved in alcohol, were included in the display.

The season opens May 1, only fifteen days more, and if everybody is not properly equipped it will be no fault of Chester Cox.

HE'S OUT; IN AGAIN; GETS NINETY DAYS

John Mack has a little record all his own, but it's not an enviable one. Monday he was released after serving several days on a petty offense. But by Tuesday afternoon he had again fallen off the wagon, or broken his New Year's resolutions, whichever it is, and was again in trouble.

He took offense at Chief of Police Brewer interrupting his celebration and when the officer was placing him in the city jail, Mack suddenly sought revenge and planted a hob-nailed boot in the policeman's stomach.

On Wednesday morning he appeared before Police Judge Wilson and took a ninety-day lease on a room at the county jail.

RETURNS FROM SONOMA

F. M. Mitchell, who has for several years been a resident of Sonoma county, near Santa Rosa, has leased the Johnson ranch near Blue Rock and passed through this city Wednesday en route to his new home. Mitchell was formerly a resident of this county.

CAR IS LEAST HURT IN AUTO WRECK FRIDAY

The four victims of the Anker motor truck wreck are rapidly recovering from the injuries received when the big car plunged into a ditch at El Robles Friday afternoon, and the machine has been extracated and is now undergoing an operation at a local garage.

C. B. Heryford, who was but slightly injured, returned to Hopland Monday morning to resume his duties as principal of the grammar school; Miss Charlotte Redmond, who suffered five broken ribs, is still at the Lawson home, south of town and it will be at least another week before she is able to take up her work in the school room.

Miss Wanda Lawson, who was bruised about the face and forehead, will return to Hopland to take charge of her classes next Monday. Lester Clyma, the driver, has not yet recovered sufficiently to leave his home, but his physicians announce that he is recuperating rapidly.

The truck was taken out of its temporary grave in the ditch Sunday, and after the front axle had been repaired, it was driven to town under its own power.

DELEGATES NAMED FOR GRAND LODGE

Mrs. Hattie Weldon, Mrs. Emma Meyers, Miss Carrie Garsey and Mrs. Bertha Emery have been selected by the local Rebekah lodge as delegates to the Rebekah Assembly to be held in San Diego next month. The appointments were made at the meeting of the lodge on Monday evening.

The local Odd Fellows have appointed T. J. Weldon and Dr. L. K. Van Allen its representatives to the conclave of the Grand Lodge of Odd Fellows, which will also convene in San Diego at about the same time as the Rebekah meeting.

NATIVE DAUGHTER, 61, SUMMONED BY DEATH

After an illness of many months duration, Mrs. Mary Rose, a pioneer of Anderson Valley, where she has lived for fifty-nine years, passed away at the home of her daughter, Mrs. Geo. Lambert, in this city at 9 o'clock last night.

Mrs. Rose was one of the State's oldest native daughters, and was born in Napa county October 12, 1854. Two years later she moved, with her parents, to Anderson Valley where she has since resided. In 1868 she was married to William Rose, who preceded her to the grave.

Eleven children came to bless their wedded life, nine of whom are still living. They are Mrs. George Lambert of this city, Mrs. John Hiatt of Petaluma, James Rose of San Rafael, Edward and Caspar Rose of Anderson Valley; Alonzo Rose of Oakland, Mrs. Frank Guntley of Philo, Mrs. James Linn of Potter Valley, and Mrs. Elmer Hiatt of Yorkville. She is also survived by one sister, Mrs. Ruth Windom, of Boonville.

The body will be taken to Boonville today and it is expected that interment will take place in the family plot at the Boonville cemetery on Saturday.

SUPERVISOR ROSS TO IMPROVE ROADS

Supervisor William Ross is at present figuring on a plan to put in a rigging to get up beach gravel at Hare Creek. It is hard to get good gravel in this section and the beach gravel has proven the best thus far experimented with.

Mr. Ross is working on the principle of lasting and substantial work and the beach gravel will doubtless prove a big improvement on the down coast roads, as it has also done in Fort Bragg.—Advocate.

WM. GROTZ, LAST PIGGER, GETS MAXIMUM

Heavy Fine And Term In Jail, Sentence By Judge White

GRANTED PROBATION

Must Not Deal In Any Kind Of Drinks For Two Years

The maximum penalty, which is a fine of $600 and seven months' imprisonment in the county jail, was the sentence imposed upon William Grotz, of Mendocino, last of the "blind pig gers," who appeared before Judge White in the superior court Wednesday.

Through his attorney, Charles Kasch, Grotz withdrew his plea of not guilty and asked the mercy of the court. Upon agreement of Attorney Kasch and District Attorney Hale McCowen, Jr., who conducted the prosecution, the "blind pigger," was given the maximum penalty for a second offender, after which the sentence was suspended and Grotz placed on two years' probation.

This decision of the court means that the wellknown Mendocinoite must stay close to the "straight and narrow path" in the future, for even the sale of soft drinks or his appearance behind the counter of any establishment selling soft drinks will be declared a violation of the terms of probation and Grotz will be returned to the county bastile to serve his seven months and will also be asked to part company with the $600 fine.

Grotz will also be compelled to submit twenty-four monthly reports to Probation Officer J. R. Thomas. In the event of future charges being placed against Grotz it will not require a jury trial to hear the case, but merely sufficient evidence to convince the court that he has not complied with the terms of his probation.

MAYOR AND WIFE ARE HONORED BY CASIMIR

Mayor and Mrs. H. B. Smith were pleasantly surprised at the meeting of Casimir Chapter O. E. S., Tuesday evening, the event being the twenty-second wedding anniversary of Mr. and Mrs. Smith.

After the business session of the lodge, L. P. Anker presented the mayor and his wife with a handsome cut glass bowl in behalf of the old members of the chapter, who have long been associated with Mr. and Mrs. Smith in building up the lodge. Dr. Ida M. Malpas presented the guests of honor with a hammered brass jardiniere in behalf of all members of the chapter.

Refreshments were served in the banquet room and a gala evening was enjoyed.

SANTA ROSANS HERE; BOOST ELKS' HOME

Charles O. Dunbar, of the Santa Rosa Press-Democrat, and Exalted Ruler-elect Edward H. Brown of the Santa Rosa lodge of Elks, were here the first of the week interviewing local members of the antlered herd in the interests of the Santa Rosa Elks' Hall association. They were joined here by John T. Grace and the trio motored to Willits Tuesday where they called on other members of the Santa Rosa paddock.

BOY UNDER KNIFE

Harold Tuttle of Covelo underwent an operation at the Malpas sanitarium Wednesday morning. Dr. S. L. Rea was the surgeon and the lad is recovering rapidly.

BOTH WANT PIPE; INJUNCTION IS SOUGHT

Entagled Affairs Of The Standard Farm Are Again Aired

MANY HAVE CLAIMS

Would Bar Jamison And Smith From Taking Water Pipe

Another chapter in the much-entanged affairs of the Standard Farm and Stock Company was opened yesterday when Attorney Charles M. Mannon petitioned the superior court for an injunction restraining C. P. Smith and Jamison brothers, who own adjoining property in Coyote valley, from taking possession of a water-pipe line which spans their land.

In this suit Attorney Mannon represents J. H. Barker & Son, Shaw-Batcher Pipe Works and Guittard & Company.

The Smith and Jamison property lies next to the East fork of the Russian river, from which the stock farm pumps water. It is carried across the lands of Smith and Jamison, a distance of approximately one mile, in eight-inch cast pipe.

Both Smith and Jamison and the plaintiffs represented in the petition, together with a number of other concerns, have been given judgment against the defunct company and both claim that they have a right to the pipe line to satisfy their judgments.

Attorney Mannon's petition declares that his clients have first claim on the pipe, which is about the only thing of value on the farm not already tied up in litigation.

WALNUT TREES ARE PLANTED IN PARK

A corps of men are busy this week in the city park, South State street, on the Talmage road, planting walnut trees. The city has purchased an exceptionally fine lot of trees, which, in a few years will add much to the beauty of that section of town.

At the McGarvey park a quantity of Lippia grass seed is being planted and the City Dads have earnestly joined in the "City Beautiful" campaign.

FORT BRAGG SCHOOL ELECTION IS QUIET

Following are the returns of the Fort Bragg high school district election, according to the Chronicle: Harry Holmes and B. E. Pemberton each received 122 votes in the Fort Bragg district; Mr. Holmes, 13 in the Ocean district and Mr. Pemberton 14. In the Noyo district Mr. Holmes received 13 and Mr. Pemberton 5. In the Stella district each received 5. The returns are scattering and are slow coming in. There was no opposition.

MRS. REED URGES FARMERS TO UNITE

Mrs. Anna Morrison Reed, formerly of this city, and editor of the Northern Crown magazine at Petaluma, has been secured as one of the principal speakers in the move to have the farmers of Mendocino, Lake, Humboldt, Sonoma, Napa and Marin counties unite in an agricultural district for the purpose of holding an agricultural fair. Mrs. Reed is the first woman to take an active part in this work, and will speak in this city in the near future.

NATIONAL SLOGAN SUGGESTED BY PROMINENT MEMPHIS DRUGGIST

Would Remind the Public to Prevent Sickness by Removing the Cause

T. D. BALLARD

a prominent druggist of Memphis says:

"Much sickness could and would be prevented if the people would only remember that constipation is one of the first causes. As a reminder, I would suggest the slogan,

"'Rexall Orderlies, the laxative tablet with the pleasant taste.'

"I suggest Rexall Orderlies as I know their formula and believe they are the best remedy for relieving constipation. They can be used by men, women or children."

We have the exclusive selling rights for this great laxative.

San Francisco, Cal.—Some time ago I was in a nervous, run-down condition—a complete break-down. I read an advertisement of Dr. Pierce's Golden Medical Discovery in a San Francisco paper. I commenced using this remedy and it was but a short time until my appetite returned, my nerves were strengthened and my general health completely restored. I certainly recommend this remedy.

"We have had one of Dr. Pierce's Medical books in our home for a great many years."—MRS. A. W. COOK, 53 Lucky Lane.

SUCCESS OF A NEW REMEDY FOR BACKACHE, RHEUMATISM, KIDNEYS.

Folks here in town and in adjoining counties are delighted with the results they have obtained by using "*AN-URIC*," the newest discovery of Dr. Pierce, who is head of the INVALIDS' HOTEL and SURGICAL INSTITUTE, in Buffalo, N. Y. Those who started the day with a backache, stiff legs, arms and muscles, and an aching head (worn out before the day began because they were in and out of bed half a dozen times at night) are appreciating the perfect rest, comfort and new strength they obtained from Doctor Pierce's An-uric Tablets. To prove that this is a certain uric acid solvent and conquers headache, kidney and bladder diseases and rheumatism, if you've never used the "An-uric," cut this out and send 10 cents to Doctor Pierce for a large sample package. This will prove to you that "An-uric" is thirty-seven times more active than lithia in eliminating uric acid—and the most perfect kidney and bladder corrector. If you are a sufferer, go to your best druggist and ask for a 50-cent box of "An-uric."

CRAWFORD ELECTED TRUSTEE IN UKIAH HI SCHOOL DISTRICT

BIG MAJORITY IS GIVEN LARGO MAN IN HOTLY CONTESTED SCRAP FOR OFFICE.

With a majority close onto two hundred votes, Charles L. Crawford, wellknown agriculturist and rancher of Largo, was elected to the Board of Trustees of the Ukiah Union High school at Friday's election, defeating Dr. L. K. Van Allen, present incumbent.

The election was hotly contested throughout the entire district, which reaches from Hopland to Potter Valley, and practically the whole voting strength turned out to voice its opinion in the matter. All of the precincts, with the exception of Ukiah, Potter Valley and Occidental, gave healthy majorities to Crawford. Dr. Van Allen carried Ukiah by 17 votes, and Potter and Occidental by three each.

Crawford has for many years been a resident of this valley and is one of the heaviest taxpayers and most highly esteemed citizens in the district. His affiliation with various enterprises has shown him to be conscientious and progressive and he will prove a capable and reliable official in the important position he has been elected to fill.

The vote in the various precincts was as follows, the first figures representing Crawford's vote, and the second that of Dr. Van Allen:

Calpella, 21-5; Carroll, 14-0; Central, 7-0; Hopland, 61-0; Lima, 23-1; Mill Creek, 36-5; Occidental, 4-7; Oriental, 30-8; Pine Ridge, 3-7; Potter Valley, 10-13; Ukiah, 322-339; Union, 11-2; Willows, 32-2; Crawford, 574—Van Allen, 389.

PLANTING WALNUT TREES AT HEMLOCK BY THE HUNDREDS

A. E. MOORHEAD'S PLACE IS FLOURISHING; SOIL WILL SURPRISE MANY.

The Hemlock estate of A. E. Moorhead is flourishing with this fine weather and the cleared land has already been planted to English walnuts on black walnut roots.

About 350 young trees have been set out in one tract and 150 trees are planted in another lot. Manager Cole has the garden near the house in excellent order and vegetables transplanted from his former place near Talmage are growing at a great rate. He declares that old-timers will be surprised when they learn the fine quality of the soil on the flats west of the home place and both sides of the road will be planted to walnuts.

Moorhead has temporary headquarters under an immense oak tree and his family will move out there after school closes. He will supervise the improvements himself and is convinced that the land has great possibilities.

Why Constipation Injures.

The bowels are the natural sewerage system of the body. When they become obstructed by constipation a part of the poisonous matter which they should carry off is absorbed into the system, making you feel dull and stupid, and interfering with the digestion and assimilation of food. This condition is quickly relieved by Chamberlain's Tablets. Obtainable everywhere.

OLD BOARD GIVEN SEVERE JOLT BY FT. BRAGG VOTERS

TWO TRUSTEES AND TREASURER OUSTED; UNCLE SAM MAY PROBE CHARGES.

(Press Special Service.)

FORT BRAGG, April 10.—The old municipal administration was given a knock-out blow in the election here today, when Trustees E. E. Brown and C. W. Mero and Treasurer H. W. Little were ousted from office. The new trustees are M. D. Gray, Jr., and E. T. Stoddard, while A. L. Wintzer succeeds Little to the office of treasurer.

Trustee Samuel Shafsky was returned to the board and O. L. Johnson retains the office of city clerk.

SERIOUS CHARGES MADE

The election was one of the closest and most bitterly contested in the history of the coast metropolis and led to what will undoubtedly mean the filing of sensational charges with the United States government. Several alleged obscene letters were sent through the mails to various candidates and the matter is now being investigated by Attorneys Pettis and Pemberton, prior to being referred to the postal department.

Every citizen within the corporate limits was out today with full voting strength and not a one of the eight hundred and twenty-five qualified voters within reach escaped casting his ballot.

THE FINAL COUNT

The final result of the balloting was:

For Trustee—M. D. Gray Jr., 403; E. T. Stoddard, 364; Samuel Shafsky, 305; the losers, E. E. Brown, 272; C. W. Mero, 253; Charles Dahl, 213 and Al Carlson, 147.

For Clerk—O. L. Johnson, 399, and H. G. Johnson, 272.

For Treasurer—A. L. Wintzer, 370, and H. W. Little, 302.

The following statement proves the merit of Doan's.

Joseph Winder, 113 Hayden St., Healdsburg, Cal., says: "I suffered for a long time with my back and kidneys. I often got up in the morning feeling miserable an dhad such sharp pains across my loins that it hurt me to move. At night I lay wake on account of the distress in my back. My kidneys were disordered and annoyed me. I tried medicines and plasters but did not get much relief. Doan's Kidney Pills cured me and I have never been bothered by my back or kidneys since."
